Major notable Events Organized by the school during the year:

This year the school organised a series of programs and celebrations to spotlight students' talents and unleash their hidden potential.

- On 10 January 2025, a Mathematics Exhibition was held, during which students displayed beautifully crafted models that fused artistic flair with mathematical concepts. Their polished presentations were warmly applauded by both parents and teachers.
- On 14 September 2025 and 31st October 2025, the school hosted a Hindi exhibition and Kannada exhibition organized entirely by the students. They showcased striking models and informative charts that celebrated the language's richness, alongside articles highlighting renowned Hindi and Kannada authors, poets and artists. The display generated enthusiastic praise from both parents and teachers.
- Likewise, students also hosted Science exhibition on 22 February, 2025. With enthusiasm, the participants displayed their models and confidently explained the scientific principles behind them to peers, teachers, and parents.

Together, these events underscored the school's commitment to nurturing curiosity, creativity, and confidence across all disciplines.

The school regularly organizes training programs and orientation sessions to foster the continuous progress of its teaching staff. On 12 July 2025, a CBSE workshop on the National Curriculum Framework 2023 was hosted at the school, with resource persons Mr. Parthasarathy Nanda, Principal of K.L.E. Society's Basavaprabhu Kore School, Ankali, and Ms. Pracheeti Ambekar, Principal of Good Shepherd Central School – Belagavi.

The school runs regular student-awareness programs and activities on health, hygiene, and nutrition for all students.

Specialist in Diabetes, Dr. Sanjay Kambar, MD, FGSI, Dipl. Diabetes, graciously accepted our invitation and conducted an awareness program on 11 August 2025 about the hazards of excessive sugar consumption.

Dr. Sachin Sharma, MBBS, MD, Fellowship in Diabetology (Government Medical Officer), oriented the primary-section students on health and nutrition, emphasizing the ill effects of junk food and the importance of a healthy diet for growing children.

Dr. Apoorva and Dr. Kaumudhi, along with a team of dentists from KLE Dental College, visited the school for a routine dental check-up and guided our students on oral hygiene.

- **New programs introduced this year:**

  1. MindSpark – English program was introduced this year.

  2. Project CACA (Children Against Child Abuse)- A child safety program was introduced this year.

The year was successful. Our students achieved good results in academics, sports, and the arts, and they embraced every learning opportunity with enthusiasm. Looking ahead, we are excited to build on these achievements, introduce new programs, and create even more enriching experiences for every learner. We look forward to an even better year ahead, together.
